

# We are operating under strict security measures

-  All of our employees received molecular tests.
-  At the entrance, temperature tests are made to the whole staff and customers.
-  Strict social distancing policy and security protocols.
-  We comply with the self-assessment required by the Department of Labor and Human Resources.
-  Vehicles are disinfected with products specialized for automobiles.
-  Interior and exterior washing is included as a courtesy.
-  Seats, gear lever, steering wheel and floors will be protected with covers.
-  The vehicle is re-disinfected for greater prevention, before delivery.
